DESCRIPTION

2024 Premium Italian RIB for Sale – High-Performance Luxury Tender in the Caribbean

Built in Italy to exceptional standards, this 2024 premium RIB combines outstanding performance, luxury, and offshore capability. Designed for Caribbean conditions, she is CE Category B certified and licensed to carry up to 18 passengers, making her equally suited for private ownership, luxury excursions, or superyacht support.

Originally commissioned as a no-compromise showcase vessel, this RIB features premium construction, top-quality components, and an extensive equipment package. She has only been used as a demonstration boat in Sint Maarten and remains in excellent condition.

Powered and equipped for both comfort and performance, she features four premium Ullman suspension seats, renowned for their shock-mitigating technology, delivering exceptional comfort even at high speeds in rough seas.

A brand-new custom T-Top is included in the sale, offering additional protection and a modern appearance.

With an estimated replacement cost of approximately **€430,000**, this is an exceptional opportunity to acquire a nearly new, fully equipped Italian-built RIB for **€230,000**.

She is available for inspection and sea trials in **Sint Maarten**.

Key Features
