DESCRIPTION

The Lagoon 570 is a popular and well-regarded cruising catamaran designed for comfort, performance, and versatility. It offers a spacious layout and is perfect for long-distance cruising or charters. The interior is thoughtfully designed with plenty of space, offering multiple cabins, well-equipped galley, and ample storage for extended voyages. This unit offers 4x double cabins plus a spacious owner's suite. Each of the cabins offers an en-suite bathroom. Under sail, the Lagoon 570 offers stability and smooth performance, thanks to its wide beam and twin-hull design. It's equipped with two powerful engines, ensuring easy maneuverability in tight spaces or during docking. The catamaran's high freeboard and efficient sail plan make it a reliable cruiser in various weather conditions. This model has been constantly maintained and upgraded over the years and is ideal for those seeking an ideal combination of comfort, performance and ease of handling. She is a top choice among cruising catamarans. **Contact us to make it happen**
