FONTAINE PAJOT Bahia 46

189 000 € HT

DESCRIPTION

FONTAINE PAJOT BAHIA 46 FOR SALE BY HAREL YACHTS CARIBBEANIntroducing the Fountaine Pajot Bahia 46, a stunning 2006 catamaran that combines elegance with performance. With an overall length of 46.08 feet, this vessel offers ample space for relaxation and entertainment. Constructed from durable fiberglass, it features a sleek design that enhances both aesthetics and functionality. Equipped with two powerful 50 hp VOLVO inboard engines, this catamaran ensures a smooth and efficient sailing experience. The engines, installed in 2021, have only 1300 hours of use, promising reliability for your adventures on the water. Accommodating four cabins and four heads, the Bahia 46 is perfect for family and friends, day and long cruises. Excellent equipment with watermaker, new dinghy, new cockpit cushions, new Trampoline, and anchor chain. Both engines, standing rig, sails, and batteries have been replaced in 2021. The last haul out, including sail drive service and Antifouling, was done in February 2025. One thing that stood out when I stepped on board was the woodwork floors, which require some attention. The current owners chose to prioritize the essential components—engines, sails, and other technical systems—over cosmetics. As family cruisers, their focus has always been on safety and reliability rather than aesthetic upgrades.
