DESCRIPTION

Lagoon 82 – Redefining the Art of Luxury SailingThe Lagoon 82 stands as the new flagship of the Lagoon range – a symbol of ultimate refinement, innovation, and the freedom to explore the world in absolute comfort. Born from the collaboration between **VPLP Design**, **Patrick le Quément**, and **Nauta Design**, this magnificent catamaran brings together the best of modern naval architecture and timeless luxury. Every detail has been conceived for discerning owners who seek both performance and serenity on the open sea.

Technology and InnovationLagoon's philosophy has always been about comfort through intelligent innovation. Onboard systems of the 82 integrate the latest technology:

- **Touchscreen monitoring** for all onboard functions
- **Energy-efficient air-conditioning and refrigeration**
- **Optional hybrid propulsion systems**
- **State-of-the-art navigation electronics**
- **Smart connectivity** for remote diagnostics and management
