2023 **Lagoon 50** – Owner's Version – Never Chartered – Cruising Ready

WISDOM is an exceptionally well-equipped 2023 Lagoon 50 Owner's Version, privately owned, never chartered, and thoughtfully upgraded for comfortable long-range cruising. She presents a rare opportunity to acquire a late-model Lagoon 50 that is fully equipped and immediately ready for extended adventures.

Unlike the standard charter configuration, WISDOM features the highly sought-after Owner's Version layout, with the entire starboard hull dedicated to a spacious owner's suite including a queen island berth, office area, settee, generous storage, and a luxurious bathroom with walk-in shower, dual sinks, and separate toilet. She was also ordered with the rare midship double cabins in both hulls, providing accommodation for up to 10 guests in five double cabins, making her ideal for family cruising.

Designed for true off-grid autonomy, WISDOM benefits from an impressive 1320Ah LiFePO₄ lithium battery bank, 1,520W of solar power, a Cummins Onan 11kW generator, and a Dessalator 100L/h watermaker, allowing extended periods away from marinas with complete independence.

Meticulously maintained with an open checkbook, she has recently received several important upgrades, including:

- * Five new Solara solar panels (**June 2026**)
- * All new Lewmar portlights
- * 280 feet of new 1/2" G43 anchor chain
- * Scheduled haul-out in Grenada including fresh bottom paint, polish, and wax prior to hurricane storage

WISDOM is currently cruising the Eastern Caribbean and will arrive in Grenada in July 2026, where she will be available for inspections. Delivery within the Eastern Caribbean can be arranged by mutual agreement.

Currently registered in St. Kitts & Nevis, WISDOM offers attractive ownership flexibility for international buyers, including U.S. owners wishing to cruise under a foreign flag while considering future registration or import options.

Whether your plans include Caribbean cruising, world exploration, or comfortable liveaboard living, WISDOM delivers Lagoon's renowned comfort, exceptional volume, and proven cruising capability in a turnkey package.
